# PEARLS SHOWCASE 2024

Emerging Pearls Foundation, Inc.  
9165 Otis Ave., Suite 238  
Indianapolis, IN 46216

Dear Community Partner,

Emerging Pearls Foundation, Inc. works to improve and sustain the quality of life in Central Indiana through financial support for initiatives regarding education, family advocacy, social justice, health and wellness, and economic stability. The organization's success largely depends on financial and in-kind donations from corporations, small businesses, and individual sponsors. We, therefore, are asking you to become a premier sponsor and further support the Indianapolis community.

The P.E.A.R.L.S. Club is Emerging Pearls Foundation's longest-running signature program designed to mentor young ladies in 6th-8th grades. P.E.A.R.L.S (standing for Positive & Engaged Achievers Reaching Goals Though Leadership & Service) has been preparing young ladies for the future since 2006. This 9-month program promotes self-worth, increasing financial literacy, improving perspectives toward education, and developing leadership skills of middle school girls from across the Indianapolis metropolitan area.

The 2023-2024 cohort of young ladies participate in monthly workshops, covering topics that are both timely and timeless, such as self-image, bullying/cyber-bullying, character building, culture, college visitation, community service, social graces, and personal hygiene. Even more important than the lessons learned from the workshops is the support and encouragement the girls receive through one-on-one mentoring. This is the hallmark of the P.E.A.R.L.S. Club. Furthermore, participants fundraise and earn college scholarships and other awards throughout the program.

On Saturday, April 13, 2024, this year's P.E.A.R.L.S. Club will culminate with the annual Pearls Showcase with the theme "Songs in the Key of G". Highlighting traits of these young ladies: grit, grace, gratitude, giving and growth. This event not only serves as an opportunity to raise funds for scholarships and the program, but it is also a platform for the young ladies to display their gifts, talents, and personal growth to family and friends through an instrument, song, dance, and theatrical performance.

With your pledge, Emerging Pearls Foundation, Inc. commits to further cultivating our relationship beyond the PEARLS Showcase by establishing a cadence of communication so you know how your gift will be and has been used over time. We will follow up with the distribution of newsletters and annual public reports to ensure you understand the impact of how your gifts are used. Also, we hope that you will feel moved to express interest in participating in community programming in the future.

Enclosed you will find 2024 Sponsorship Opportunities for your review. Contact [www.info@epfinc.org](mailto:www.info@epfinc.org) to make your pledge today.

Sincerely,

Natissa Woodard, Chairman
