# HONOR HER 2024

Emerging Pearls Foundation, Inc.  
9165 Otis Ave., Suite 238  
Indianapolis, IN 46216

Dear Community Partner,

Emerging Pearls Foundation, Inc. works to help improve and sustain the quality of life in Central Indiana through the financial support of initiatives regarding education, family advocacy, social justice, health and wellness, and economic stability.

This is done by establishing connection opportunities with individuals, businesses, and organizations with a willingness to invest in outcome-based solutions for our community and to help eradicate documented community needs. Specifically, we will intentionally partner with organizations that share a belief that the financial resources within communities of color, women, minority-owned businesses, and those who benefit from consumers of color have a great obligation to strategically leverage their support to create positive change within our community.

The organization's success is largely dependent on the financial and in-kind donation support received from corporations, small businesses, and individual sponsors. We, therefore, are asking you to become a premier Corporate sponsor. Your company will largely benefit from the positive attention in helping a non-profit such as Emerging Pearls Foundation. We challenge you to seize this opportunity to support the Indianapolis community and the intentionality we offer.

On Saturday, May 11, 2024, Emerging Pearls Foundation, Inc., will host our signature fundraiser, Honor Her, in Indianapolis, Indiana with a Garden Party theme. Each year, an unsung female hero in the community is awarded the Honor Her award to recognize her efforts in improving lives in Central Indiana. This event not only serves as an opportunity to raise funds for scholarships and programs, but it is also a platform for attendees to formally honor and pay tribute to the special women in their lives during Mother's Day weekend.

With your pledge, Emerging Pearls Foundation, Inc. commits to further cultivating our relationship beyond Honor Her by establishing a cadence of communication so you know how your gift will be and has been used over time. We will follow up with the distribution of newsletters and annual public reports to ensure you understand the impact of your gifts. Also, we hope that you will feel moved to express interest in participating in community programming in the future.

Enclosed you will find 2024 Sponsorship Opportunities for your review. Don't hesitate to contact us and we look forward to hearing from you soon.

Sincerely,

Natissa Woodard, Chairman Emerging Pearls Foundation Inc.

Honor the Special Women in your life by joining the Honor Her Circle with a minimum of a \$25 donation. Our impact on the community is expanded when individuals support the Honor Her event beyond individual ticket sales. We would love your support.

Ways that you can celebrate the mothers in your life, in our community and beyond:

**Memorial:** In honor of those mothers who have passed from this life but are forever in our hearts.

**New Mom:** To celebrate and uplift a new or first-time mom with personal encouragement.

**Surrogate Mothers:** In honor of the women that serve as mothers, mentors, and motivators in your life.

**Tribute:** In honor of your mother, grandmother, aunt, ancestor, or a chosen mother or mother-figure, your artistic or activist mother-muse, or any other special women in your life. This special celebration tribute can include members of our beloved sisterhood near and far, who have influenced or impacted your life journey.

Take this special opportunity to honor the special women in your life. One submission per tribute/gift. Submit your name, tribute of no more than 25 words, and identify your tribute type (Memorial, New Mom, Surrogate Mothers, Tribute, or Sisterhood) to [honorher@epfinc.org](mailto:honorher@epfinc.org).
